
WHEELLOCK COLLEGE

PROGRAMS AVAILABLE IN:

- School of Arts & Science
 - School of Education, Social Work, Child Life and Family Studies
-

Wheelock College is a compact, friendly college located in the heart of Boston's Fenway district. Since 1888 its mission has been to improve the lives of children and families. It is the premier institution for students wishing to study education and a range of arts and sciences majors.

AT A GLANCE

Tier 1 University: #60 Regional Universities (North)*

871 undergraduate students

366 graduate students

99 full-time equivalent faculty

70% of students live on campus

Average class size: 16 students

All students complete at least one field experience or internship

Wheelock College is the place for students who want to change their world and improve the lives of children and families through their careers as leaders, advocates and professionals.

The college is intimate, with just over 1200 undergraduate and graduate students. This diverse, yet close-knit community has numerous clubs and activities which help build strong personal relationships among the students, faculty and staff. This approach helps international students looking for support as they find their way around a new city, country and culture.

PROGRAMS

Wheelock offers programs in:

- Education (early Childhood, elementary and special education)
- Social work, juvenile justice and child life
- Arts and sciences (American studies, the arts, communications, psychology & human development, humanities and math/science)

*US News & World Report Best Colleges Ranking 2012

INTERSHIPS

Fieldwork and internship experiences are interwoven with the academic program to enrich students' learning and prepare them for professional practice. Students work in schools, hospitals and community agencies to gain valuable real-life experience.

LOCATION

The campus is located in a very safe part of Boston, a short walk from the world famous Fenway Park baseball stadium and a short subway ride on "the T" to downtown Boston.

ACCOMMODATION

Wheelock has six residence halls, each one with a unique character and personality. Over 70% of students live on campus, creating a vibrant campus community.

FACILITIES & STUDENT LIFE

- Dining hall and coffee bar
- Campus store
- Student clubs and organizations
- Access to nearby Holmes Sports and Fitness Center
- Patio and rooftop garden
