

Work Experience in London – KBM Consultants

Work Experiences and Career Paths Services in London, UK

Our Services

➤ Who we are:

Work Experience in London is part of KBM Group of companies and it is the branch of KBM Consultants dealing with Career Paths Services for EU students. KBM Group offers a wide range of services in Education & Immigration Consultancy, Training & Education, Job Recruitment, Accountancy and Business Advisory through its group of companies. Please visit kbmgroup.co.uk for further information.

➤ Organisation of Work Placements in London :

Work Experience in London provides help and support to trainees, young graduates and students from the European Union who wish to improve their professional skills and to enhance their CV with an unpaid work experience programme in London. The hosting companies are small and medium enterprises based in the UK capital and belonging to different business sectors.

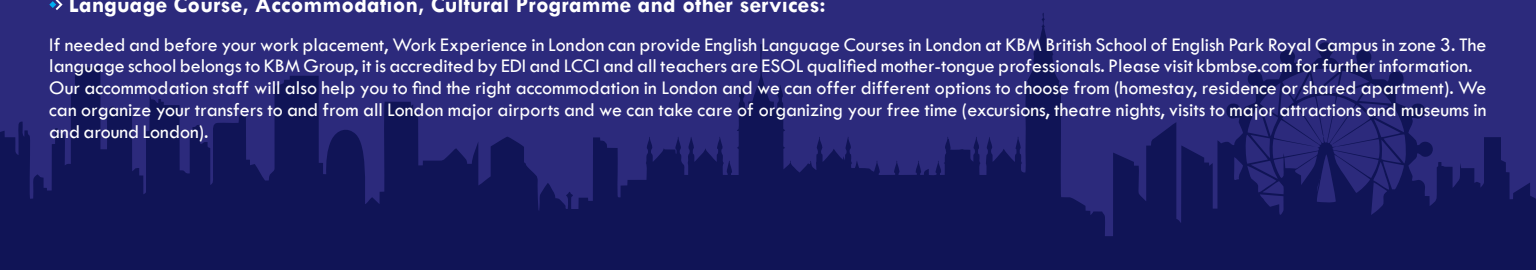

We support trainees in preparing all documents for their work placements, we search for the right company for their placements and we make sure the work experience is constantly monitored. At the end of the work placement period we release a Work Placement Certificate and/or the Europass Certificate according to trainees' needs and in order to certify their work experience abroad.

Work Experience in London also offers intermediary services for EU Funded Mobility Projects and Erasmus programmes for University students, providing all necessary documentation and hosting companies for project partnerships.

➤ Language Course, Accommodation, Cultural Programme and other services:

If needed and before your work placement, Work Experience in London can provide English Language Courses in London at KBM British School of English Park Royal Campus in zone 3. The language school belongs to KBM Group, it is accredited by EDI and LCCI and all teachers are ESOL qualified mother-tongue professionals. Please visit kbmbse.com for further information.

Our accommodation staff will also help you to find the right accommodation in London and we can offer different options to choose from (homestay, residence or shared apartment). We can organize your transfers to and from all London major airports and we can take care of organizing your free time (excursions, theatre nights, visits to major attractions and museums in and around London).

List of sectors in which we can organise work placements:
